Mr. Ed Friedman
U.S. House of Representatives
Foreign Affairs Committee Staff

Dear Mr. Friedman:

Thank you for accepting our invitation to address the Seminar on the Producer/Consumer Relationship at 1015 hours on 14 April in the Chamber of Commerce Building, 4600 North Fairfax Drive in Arlington.

The seminar will consist of middle-level managers and analysts many of whom have not met our important consumers although they often provide vital intelligence to them. The seminar will focus on how intelligence is used to support policy decisions and how well the intelligence community, particularly the CIA, fulfills that assignment. You are encouraged to be frank in your remarks and make suggestions about how the product might be improved.

If you have any questions regarding the Seminar, we can be reached on [redacted] Our training assistant will be calling you several days prior to the start of the Seminar to provide directions and parking reservations as necessary.

Sincerely,
